

Siesta Slide

39-488
men's java

The **SIESTA SLIDE** combines casual kick-on/kick-off style and a weathered canvas upper with a technically-inspired footbed for an unmatched level of support and comfort.

UPPER

Weathered canvas with unfinished edges, a soft lining and padded tongue.

FOOTBED

molded EVA cork TOTAL SUPPORT™ contoured footbed. Removable and antimicrobial.

OUTSOLE

Injection-molded EVA with non-marking molded rubber inlays.

FEATURES

Easy kick-on/kick-off style for all-day comfort. Makes a great recovery shoe!

TOTAL SUPPORT™ Footwear combines the support and stability of our best-selling insole with the comfort and simplicity of a casual slip-on shoe. Every shoe incorporates a cushioned heel, deep heel cupping, orthotic arch support, metatarsal dome, and a cushioned forefoot. And unlike other footwear that claim orthotic benefits, TOTAL SUPPORT™ Footwear is easy to wear: The initial soft feel and incredible comfort are unmatched. It's the combination of all these features that make **The Shape That Feels Great™**.
